CEDEU University College is one of the entities linked to the Foundation of Training and Future, founded in 1958. It has more than 40.000 students of 50 different nationalities

CEDEU UNIVERSITY COLLEGE is an official University College legally recognised by the Government of the Autonomous Community of Madrid:

- Registered as such in the Registry of Universities, Centres and Degrees of Spain (RUCT) of the Ministry of Education, Culture and Sport with the number 28053897.
- Registered at the European Commission with the PIC 917774716, with the ERASMUS+ E MADRID213 Code and with the registration number M567603.

At CEDEU we base our work on innovation, social transformation, the promotion of entrepreneurship and the empowerment of talent as vital pillars of our institution.

Madrid is the ideal City for university studies. CEDEU is located in the heart of the Salamanca district of Madrid, at Calle José Picón, number 7, with modern facilities.

MADRID CAMPUS

CEDEU is located in the heart of Madrid, in Salamanca district, one of the most important financial and business centers in the world. It has a multitude of opportunities for employment and successful entrepreneurship.

Madrid Centre Campus is very accessible by public transport, bus and metro, it's next to Diego de León metro station and Avenida de América interchange. CEDEU Campus offers students and professors a privileged environment for learning and the intercultural development. It's 100% accessible, with the best facilities and services.

Madrid is the only city in the world that has nine World Heritage Sites less than two hours away, our city is one of the most important centres of art and culture in Europe and has one of the most active events schedules in the world.

It is undeniable that, in addition to its cultural capital status, Madrid is nowadays home to the largest corporate, business and legal headquarters in our country. Being the headquarters of the Spanish Government, the Congress and the Senate, it concentrates large volumes of social, organic, structural, legal and economic decisions.
